

6-6-2013

Hello!

When I was hurt on the job, Krasno Krasno & Onwustunjo was contacted and they did all the good for me, by all the means for me, in all the ways for me, in all the places for me, at all the times for me, to all the people for me because I needed a Workers Compensation Attorney to represent and protect me. Thank you KK&O! May God continue to bless you!

Your Client,

x Carlos J. Ray
